Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art teaches the use of a camera which uses a plurality of memories to record and store images. The prior art teaches the use of a camera controller capable of performing tasks in parallel. However, the prior art does not teach the use of enabling the camera controller to perform an operation of storing an image to a first memory while simultaneously formatting the memory of the second memory.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
